I (we) attest that I am (we are) the leaseholder(s) of the apartment referenced above and agree to abide by the rules of the CRC during term of membership. Failure to adhere to Article XI-Section 1 of the CRC by-laws may mean immediate expulsion from the Colonnade Residents Coalition. (CRC).

We only ask for \$3.00/\$5.00 per quarter. A portion of your dues also pays your Annual membership in the NJ Tenants Organization (NJTO) <http://www.njto.org/>. The annual renewal of membership with the NJTO, our parent organization, is important. They do very important work lobbying our legislators in Trenton and also assist with local government issues. The dues also covers additional expenses such as copying costs and anticipated certified mail costs. Our Social Media platforms to date are free (Blog/Website, Facebook Page and Group, and Twitter Account). Available funds go to sponsor tenant and CRC member events.

Tenants' rights are under attack by a landlord lobby that is more powerful than ever. It is very important that we support NJTO

- We want to keep our building safe, clean and quiet
- You have the right to prompt and effective response to maintenance issues
- Tenants have the legal right in New Jersey to organize

The Colonnade Resident Coalition (CRC) is a tenant's rights organization and as such, the privacy and confidentiality of the tenants must always be protected. CRC business may not be discussed with anyone who does not have a vested interest in tenants' welfare or tenants' rights issues.
